BOLTON WANDERERS

KICK-OFF 7.30 p.m.

PRICE

Good evening and welcome to the Directors, Manager, players and staff from Bolton Wanderers. After seeing Bolton win at York on Friday night and us having a fine win at Cambridge on Saturday, I'm sure that we're in for an entertaining game tonight. Our win on Saturday gives us 6 wins out of 7 and makes it a tremendous month for us in terms of results. Again, it was a good all-round team performance, with Andy Saville grabbing his first league goal and proving that we have a squad which is good enough to challenge for honours both at First Team and Reserve Team level. At this present time, we are second in both the 3rd Division and also the Central League so we are obviously delighted to be in this position as we go into the last quarter of the season.

My congratulations go to Tony Norman and Pete Skipper on their PFA awards last week and I'm sure they'll agree that the efforts made by all their team-mates helped them to get those awards. We have also won the Canon League Division 3 leading scorers for March so it is nice to see the club getting some rewards.

On a sad note, Ian Davis has been forced to retire from full time professional football at a very early age and I would like to take this opportunity to wish Ian all the best for the future.

Welcome to the Directors, Staff, Manager and players from Bolton Wanderers. After their recent turmoil with the departure of John McGovern, they had a fine win under their Caretaker Manager Charlie Wright, so we'll have to be on our toes again. We've already had two close encounters with Bolton; firstly our no-score draw away and then our last minute win at home in the Cup, so we can expect another hard game.

Since I last spoke in the programme, our results have been first class; the only blemish being the defeat at Brighton but even then, everyone agreed we deserved at least a draw at the Goldstone Ground. For myself, the pleasing thing is that we got straight back into our League programme with a very good result at Bournemouth, where due to icy conditions, the game might not have been played. I must take this opportunity to praise the referees in both the Brighton and the Bournemouth games for the way they handled the matches under such tricky conditions. Once again, my thanks for the tremendous support received in both matches and also for the incredible turnout for the Division One Society launch.

Good Luck to our latest recruit Andy Tomlinson, we wish him all the best in his professional career.

Hope you enjoy the game.

SIMON FARNWORTH (goalkeeper). After a promising and patent apprenticeship, Simon made the most of his break into the Bolton first team last season and missed only ten games.

BRIAN BORROWS (defender). Player of the Year last season, the cultured former Everton full-back made a terrific impression in the Third Division. Can also play in midfield.

RAY DEAKIN (defender). The Bolton skipper showed great determination in regaining his place after losing his form in the middle of last season. The former Everton and Port Vale defender made 47 appearances.

GERRY McELHINNEY (defender). Gerry emerged as a regular member of the Northern Ireland international side last season. The former Gaelic footballer and Mid-Ulster boxing champion, joined Wanderers for £25,000 from Distillery in 1980.

JIMMY PHILLIPS (defender). The Bolton youngster has made great strides in his bid for first team recognition and deserved the chance of his first full appearance against Bristol Rovers on the opening day of the season.

MARK CAME (defender). The hard-tackling central defender gave up a 9 to 5 job to move into the professional game when he joined Wanderers from non-League Winsford United at the end of last season.

WARREN JOYCE (midfield). Missed only one game in the Bolton midfield last season, the young all-round sportsman has played County Cricket at Colts level and is a Rugby Union Schoolboy tourist.

GRAHAM BELL (midfield). John McGovern turned to the former Oldham and Preston man when he was looking for a touch of experience to add to his midfield last season. Signed on a free transfer from Carlisle United and enjoyed an unbroken 19-match run.

STEVE THOMPSON (midfield). The man Wanderers rely on to operate on the right hand side of midfield, the youngster, son of an ex-League player, played 45 games in Bolton colours last season.

JEFF CHANDLER (forward). Jeff enjoyed his most successful season scoring 17 goals and being Bolton's only ever-present last season. A Republic of Ireland international the former Blackpool player cost Bolton £40,000 when he signed from Leeds in October 1981.

TONY CALDWELL (forward) set the Third Division alight when he scored a Club record five goals in Bolton's 8-1 win over Walsall in September last season, while on part-time forms and still an electrician. The recruit from non-League earned a full-time contract and ended the season top scorer with 22 goals from 37 appearances.

GEORGE OGHANI (forward). Another signing from non-League, George switched from the wing to central striker to earn himself a second chance after John McGovern had tried to sell him back to non-League in the summer.

WAYNE FOSTER (forward). Fast and hard-running, the former England Youth player has made more than 80 appearances in Bolton's League side.

Today's pre-match entertainment is provided by Bridgetown Coronets Junior Jazz Band.

1985 is already proving a special year for 3 Tigers players, Tony Norman who made his 200th league appearance for Hull City against Bristol City on New Years day. Mike Ring who was married three days before the Brighton Cup tied and Neil Williams who played his first full match for Hull City against Brighton, our congratulations go to Tony, Mike and Neil for reaching important milestones in their lives.

N.F.F.S.C. QUIZ — In the first round of this season's football quiz our team defeated the Hebburn Branch of Sunderland Supporters Club 156-63 on aggregate. Tomorrow night at West Park Hotel they play their Second Round match over one leg against Leeds United Supporters Club, it's certainly going to be a formidable task for our team as Leeds United are one of the strongest teams in the competition and won the tournament last season defeating Port Vale 151-130 in the final to win a prize of £200. On their way to the final they defeated Hebburn, Chesterfield, Rotherham, Gainsborough and Celtic.

HULL CITY RESERVES 1 DONCASTER RESERVES 1

The reserves found Doncaster very tough opposition last week at Boothferry Park when an interesting and very competitive game ended in a 1-1 draw.

We took an early lead when Andy Saville latched onto a bad back pass and took his goal well and only a very good save by the Doncaster keeper Paul Gregory stopped Nicky Brown adding to our lead.

For long periods after that however, we were under pressure from a very lively Doncaster side, but with Dale Roberts outstanding, our defence coped well.

Mid-way through the second half, we lost Nicky Brown with a leg injury, Steve Corkain replacing him, and as the game progressed, started to trouble Doncaster again, but the goal scoring touch of late deserted us and we couldn't add to our score.

Just as the game looked to be finishing with us narrow winners, Doncaster broke quickly following a City corner and Hoyland equalised with two minutes to go.

KING'S SPOT

I would like to begin my notes by offering my congratulations to Andrew Tomlinson, a youngster from the Bilton Grange area of Hull, who this week achieved his ambition by signing full time professional forms for the Tigers. The youngster joined us from Greatfield High School and has progressed through the Youth Training Scheme and The Young Workers Programme. He will be feeling very happy about achieving 'every lad's dream', and of course leaving behind the routine, mundane tasks such as sweeping the terraces and cleaning the boots. However Andy will of course realise that he has climbed just one rung of the ladder and will have to train and work even harder in order to progress in the most competitive of professions. His elevation is also a signal to the other youngsters on the Y.T.S. who are striving to make the grade. Of course the odds are stacked against them but Andy in becoming the first youngster in the club to become a professional via Y.T.S. has shown them the way. I hope more of our talented kids fulfil their potential and join him.

Recent results in the County League have been encouraging for both the 'A' team and the Juniors.

The 'A' team have had two victories recently. It was very pleasing to beat Schultz, something we did not do in five meetings last season, by a 5 goals to 2 margin. There really was only one team in the game and better finishing would have brought about an even more emphatic victory. The goals were scored by Saville 2, Harrison, Stainforth and Olsson. We were also successful by 4 goals to 3 in the Quarter Final of the East Riding Senior Cup against Westella and Willerby. This was not one of our best performances yet we now go through to a semi-final encounter against my old mate Colin McLocklan's Bridlington Trinity of the Northern Counties East League Premier Division.

The Juniors overwhelmed Tickton 8-3 on their own ground and perhaps of more importance we had eight players in the East Riding County Junior squad who beat Manchester in the National Competition, by 7 goals to 3. The game was a personal triumph for Nicky Brown who scored a hat trick. Steve Corkain and Andy Payton also got on the score sheet with fine efforts.

Let's hope the snow allows us to play this weekend and you can cheer another Tigers victory.

Best Wishes,

DAVE KING

TIGERS SUPPORTERS ASSOCIATION

Headquarters Chalk Lane Club, 200 Hawthorn Avenue, Hull

The T.S.A. decided, after reading through the Bristol Rovers v Hull City programme, to donate £10 towards the Mike Barrett Memorial Fund. Mike was a promising Bristol Rovers player who tragically died last year leaving a wife and young son. We recently received a very nice letter of thanks from the Managing Director of Bristol Rovers football club, which pointed out that in a few years time when the wave of public sympathy has ebbed, the funds being raised now will be a great help in enabling his widow to run a home and bring up her son. Obviously, our priority is to raise money for and help Hull City, especially in the quest for First Division football, but when such a worthy cause came to our attention we were only too pleased to help, if only in a small way.
